

DELTEK UNIVERSITY

Costpoint Plus Road Show

CONTINUING EDUCATION FOR THE COSTPOINT PROFESSIONAL

Deltek University has developed a series of courses specifically for experienced Costpoint users to maximize the return on their Costpoint investment. Designed for Costpoint Managers, Accounting Professionals, Help Desk Analysts and Reporting Specialists, these courses will enhance your proficiency and increase your competencies.

COSTPOINT PLUS - A SERIES OF 5 INDEPENDENT COURSES

This anticipated series will be presented by Greg Luczyk, Director of Client Education. Greg is a 14-year Costpoint professional at Deltek. His experience encompasses all aspects of Costpoint from implementations to specialized curriculum development.
